## PRESS RELEASE

---

### **Jonathan Lundy Has Joined the Board of Directors of Quantum Technologies**

IRVINE, Calif., July 22, 2010, PRNewswire-Quantum Fuel Systems Technologies Worldwide, Inc. ("Quantum") (Nasdaq:[QTWW - News](#)) announced today that Jonathan Lundy has joined the Board of Directors of Quantum Technologies. Mr. Lundy is the Senior Vice-President, General Counsel & Corporate Secretary at the Atomic Energy of Canada Limited (AECL) and is responsible for the company's Legal and Compliance functions. Mr. Lundy was previously CEO of Schneider Power, a developer and operator of renewable power generation facilities. Prior to that, he was President of Power and Generation for Hydrogenics Corporation responsible for operations in Canada, the U.S., Europe, India and Japan. Mr. Lundy also practiced corporate law with two of Canada's top legal firms.

"We are pleased that Mr. Lundy has joined our Board of Directors" said Alan P. Niedzwiecki, the President and CEO of Quantum. "Jonathan is a strong leader and a great addition to our Board of Directors. His leadership, experience, particularly his expertise in energy technologies, will complement the skill sets of our existing board members."

#### **About Quantum:**

Quantum Fuel Systems Technologies Worldwide, Inc. is a fully integrated alternative energy company. Quantum's wholly owned subsidiary, Schneider Power Inc., complements Quantum's emerging renewable energy presence through the development and ownership of wind and solar farms. Quantum's portfolio of technologies includes electronic controls, hybrid electric drive systems, hydrogen storage and metering systems, and alternative fuel technologies that enable fuel efficient, low emission hybrid, plug-in hybrid electric, fuel cell, and natural gas vehicles. Quantum's customer base includes automotive OEMs, dealer networks, fleets, aerospace industry, military and other government entities, and other strategic alliance partners.
